"...amazingly original and unexpected...I loved every second of reading it!" ~~ Alexandra F., 15, who has read The Book Thief, The Hunger Games, and Anna Karenina. [Note: Entire series was updated in 2022 to make all point of views 3rd person - we listened to readers who were confused with a mix of first and third person POVs.] Rayen awakened in a strange place called Albuquerque but had no memory of how she landed in a desert where she was captured. While the authorities search for a way to identify her, she ' s sent to an unusual institution where she ' s shocked to see real paper. While stuck in a computer storage room with two arguing students, a power inside Rayen manifests unexpectedly and opens a portal, sending her and unlikely sidekicks to a place harboring a deadly secret that can destroy this world ⋯ and the future. All she wants is to regain her memory and go home. The only person who can help her is a young elite fighter of the future, who is trapped in a fantastical world where killing the enemy and surviving is all that matters. With one impulsive action she believed would save a child, she proves she is his enemy. Micah Caida is a blend of two voices – New York Times Bestseller Dianna Love and USA Today Bestseller Mary Buckham. A breathtaking debut trilogy where Isaac Asimov meets Hunger Games. " Wonderfully written ⋯ I've never read anything like it. Excellent! " ~~Adam, age 28 " As the thrilling conclusion to the Red Moon series, Time Lock does not disappoint and will leave you in awe⋯perfection on paper. " ~~ Angela Catucci, college student " The last book in this trilogy blew my mind. Drop the mic. Walk away. " ~~Goodreads

The sweeping romance of Passenger meets the dark fantasy edge of This Savage Song in this stunning contemporary fantasy debut from Vanessa Len, where the line between monster and hero is razor thin. Don ' t forget the rule. No one can know what you are. What we are. You must never tell anyone about monsters. Joan has just learned the truth: her family are monsters, with terrifying, hidden powers. And the cute boy at work isn ' t just a boy: he ' s a legendary monster slayer, who will do anything to destroy her family. To save herself and her family, Joan will have to do what she fears most: embrace her own monstrousness. Because in this story⋯she is not the hero. Dive deep into the world of Only a Monster: hidden worlds dwell in the shadows, beautiful monsters with untold powers walk among humans, and secrets are the most powerful weapon of all.

A step-by-step manual designed to help parents cope with children's fears; Monsters Under the Bed and Other Childhood Fears discusses common fears, how to respond to childhood anxieties, and other ways to deal with frightened children. " With the culture getting scarier and parents getting busier, there is a growing need to help parents understand and cope with childhood fears. This thoughtful and practical work fulfills that need extraordinarily well. " —Stan and Jan Berenstain, authors of The Berenstain Bears children's book series This book is about how to respond to your child's fears. Most children experience fears of the dark, strangers, unidentified noises, and numerous other things for a short time and then they pass. By supporting your child and filling in the gaps in her knowledge, you can minimize most of the normal childhood fears many children experience. By preparing your child in advance for the new situations she must meet, you may be able to avoid new fears.—From the Introduction Praise for Monsters Under the Bed " The authors of Monsters Under the Bed have created a great resource for parents to help their children. The fun parti s that some of the basic wisdom in this book may also apply when the occasional wayward monster slips under an adult bed. " —Sheryl Leach, president of The Lyons Group, creator of Barney " Fears often annoy, disturb, and sometimes even prevent a child from enjoying childhood. At no time are fears a laughing matter. This book offers parents a variety of clever suggestions on how to help their child 'slay' the ubiquitous monsters that lurk under the bed, in the hall, and outside the window. Today's concerned but busy parents will appreciate the straightforward yet family-oriented language of this book. " —Ted Ayllon, Ph.D., professor of psychology and special education, Georgia State University; author, with Mori Freed, of Stopping Baby's Colic

Creepy, the quintessential horror comics anthology from Warren Publishing, always delivered a heaping helping of horror! In this deluxe hardcover, which collects issues #94 through #98, you'll find uncanny fables of magical children, shocking tales of extraterrestrial encounters, and barbaric stories of warrior apes! Top talents like Frank Frazetta, Carmine Infantino, Bernie Wrightson, John Severin, Bruce Jones, and others contribute to this volume, which also includes all original letters columns, text pieces, and ads--as well as a new foreword by Eisner Award-winner Jonathan Case (Green River Killer, The Creep, Eerie Comics)!

Through Dungeons Deep delves into the art of role-playing, showing players and Game Masters how to have more fun and excitement with fantasy role-playing games. First published more than 25 years ago, this book was an instant classic. Long out of print, the original edition sells for several times its cover price. This Norton Creek Press reprint makes the book available (and affordable) again. Robert Plamondon wrote Through Dungeons Deep after realizing that the most important part of role-playing games-role-playing-is barely mentioned in gaming systems. When it is, it is often confused with rules. But role-playing really boils down to make-believe, and the real fun in role-playing games comes from unlocking your imagination. But it's also important to carry a length of rope and wear shoes you can run in.

Epic Fantasy Romance for fans of Alexandra Bracken, Sarah J. Mass, and Jennifer L. Armentrout! The soul is a fragile beauty, even for the gods With the God of Chaos & Destruction running rampant through the lands of Egypt on his vengeful tirade, Andie and Silas are left carrying out an impossible mission...resurrecting Osiris. Without him, they don ' t stand a chance at stopping Set. But there ' s only one person who knows where the missing piece of Osiris lies. Horus. After everything he ' s done, they can ' t risk trusting him, but they ' re left with no choice. They need him if they hope to save the world. With a soul stone of her own and the safety it provides, Andie ' s confident she can help keep Horus in line long enough to get what they need. But the more time she spends around Silas ' unpredictable brother, the more she realizes that she ' s not just connected to one...but both. Her new eternal soul is fragile, and she worries that it's only a matter of time before Horus figures out a way inside her mind and, when he inevitably does, the God of Chaos & Destruction will be the least of their worries.
