Lumos Summer Learning HeadStart, Grade 9 to 10 - Includes Engaging Activities, Math, Reading, Vocabulary, Writing and Language Practice

As a result of unexpected school closure, students are losing about 12 weeks of academic instruction this year. This special edition of the Summer Learning HeadStart workbook is designed to support learning at home. It offers standards-aligned daily Math, Reading, Vocabulary, and Writing practice to students. The extended Summer Learning Loss this year is likely to have a huge impact on the progress students make in the 2020-21 academic year. The 2020 Summer Learning Headstart book is the ideal at-home study solution that provides much needed academic support to students. It not only helps students review and retain what they learned during the academic year but also study topics that were not taught in school. The focus of this Special Edition book is to address learning loss that is associated with early school closures and Summer holidays. This is a fun educational workbook to prevent student learning loss. It helps grade 8 students retain and strengthen their Math & English Language Arts standards. Before starting ninth grade instruction, parents/teachers can administer this online test to their students. After the students complete the test, a standards mastery report is immediately generated to pinpoint any proficiency gaps. Using the diagnostic report and the accompanying study plan, students can get targeted remedial practice through lessons included in this book to overcome any Summer learning loss. The online program also gives your student an opportunity to briefly explore various standards that are included in the 9th grade curriculum. Some facts about Summer Learning Loss: Activities A Summer diary tool Opportunity to participate in the Lumos Summer Short Story Writing Competition Use on a smartphone, tablet or a personal computer to conveniently access the online program Also Includes access code for Parent Account Access to student performance reports Ability to assign practice questions and resources Ability to download and share reports Ability to create resource kits Teacher Account Access to Lumos StepUp(tm) Basic Account Support up to 30 students accounts Assign practice and monitor progress Access to actionable performance reports More than 360,000 students and 51,000 teachers in over 25,000 schools use Lumos Learning Study Programs to improve student achievement on standardized tests and also to master necessary Math, ELA, Writing & Reading Skills. This Lumos Summer HeadStart workbook is also suitable for use in Summer Schools, District Summer Academies, Summer Tutoring, Summer Camps, and Summertime Learning Initiatives. Featured Customer Testimonials Kristen Markovsky, Parent "This book has been very helpful for my daughter to bridge from 8th to 9th next year, with school being cancelled until May 1, 2020 I feel this book will really help prepare her for next year. Thank you for creating a great book!" Pauline, Parent "Love it.. not too hard for my son.. easy to read and the answers in the back of the book. Heather Stewart, Parent My daughter is transitioning into 9th grade next year. So far this has been a great help this summer.

This makes a great CREATIVE LEARNING gift for kids who love fun! WHO KNEW LEARNING COULD BE THIS FUN? "Nice pages my daughter loved." "My son had so much fun!" "Enjoyable and lots of pages." Provides HOURS of learning FUN and is a perfect supplement to homeschool or distance-learning programs during school closure... or any time kids need some fun activities. This paperback book features: Original designs Age appropriate Single-sided printing for easy use High Quality Paper Large Page size 8.5x11 Inches for easy use. An understanding of language arts concepts is key to strong communication skills—the foundation of success across disciplines. Spectrum Language Arts for grade 8 provides focused practice and creative activities to help your child master sentence types, grammar, parts of speech, and vocabulary. This comprehensive workbook doesn ' t stop with focused practice—it encourages children to explore their creative sides by challenging them with thought-provoking writing projects. Aligned to current state standards, Spectrum Language Arts for grade 8 includes an answer key and a supplemental Writer ' s Guide to reinforce grammar and language arts concepts. With the help of Spectrum, your child will build the language arts skills necessary for a lifetime of success.

Chemistry for grades 9 to 12 is designed to aid in the review and practice of chemistry topics. Chemistry covers topics such as metrics and measurements, matter, atomic structure, bonds, compounds, chemical equations, molarity, and acids and bases. The book includes realistic diagrams and engaging activities to support practice in all areas of chemistry. The 100+ Series science books span grades 5 to 12. The activities in each book reinforce essential science skill practice in the areas of life science, physical science, and earth science. The books include engaging, grade-appropriate activities and clear thumbnail answer keys. Each book has 128 pages and 100 pages (or more) of reproducible content to help students review and reinforce essential skills in individual science topics. The series will be aligned to current science standards.
