### A People's History of the United States: 1492-Present ...

In 1897, Theodore Roosevelt wrote, "I should welcome almost any war, for I think this country needs one." War serves an important purpose for any nation, Zinn argues: it directs the people's energy outward, toward a foreign threat. The elites of the U.S. probably didn't consciously plan a war, but the fact remains that war strengthened their power by focusing the people's attention ...

### A People's History of the United States Chapter 12: The ...

Population figures for the indigenous peoples of the Americas prior to colonization have proven difficult to establish. Scholars rely on archaeological data and written records from European settlers; most scholars writing at the end of the 19th century estimated that the pre-Columbian population was as low as 10 million, but by the end of the 20th century most scholars gravitated toward an ...
