Beechcraft Super King Air -  
Wikipedia

Now, I've "moved on" to the  
Beechcraft King Air 350i,  
and with its different,  
mostly digital displays and  
controls, I'm pretty lost.  
Have been digging through  
youtube and even manuals,  
but can't find how to use  
the ILS system. Dumb  
question 1 - what is the nav  
system in the 350i? I see  
lots of G1000 mentioned but  
don't think that's it.
