Written for both HRM majors and non-majors, Human Resource Management: Functions, Applications, and Skill Development equips students with the skills they need to recruit, select, train, and develop employees. Best-selling authors Robert N. Lussier and John R. Hendon explore the important strategic functions that HRM plays in today's organizations. A wide variety of applications and exercises keep readers engaged and help them practice skills they can use in their personal and professional lives. The Fourth Edition brings all chapters up to date according to the SHRM 2018 Curriculum Guidebook; expands coverage on topics such as diversity and inclusion, AI, employee engagement, and pay equity; and features 17 new case studies on a range of organizations, including Starbucks and its response to the COVID-19 pandemic.
