Desde el momento de la

concepción, los seres

humanos sufren

procesos de desarrollo.

El campo del desarrollo

chronological view of
lifespan development.
The tenth edition
expands the coverage of
cultural and historical
influences on
development, features
the latest research, and
introduces marginal
callouts integrating the
"LifeMap" Student CD-
ROM with key concepts

Bring the Bible to Your Students like Never Before Communicating the Scriptures is much like building a bridge. However, instead of ravines or rivers, the teacher must span both cultural boundaries and great gulfs of time between the present and the pasts of Moses, David, Jesus, and Paul. Though God's Word is

always relevant, the teacher must help students see Scripture's vast treasures. The effective, engaging Bible teacher must, therefore, become creative. Together, Lawrence Richards and Gary Bredfeldt have created the ultimate guide to building bridges for those seeking to learn about

God's Word. Creative Bible Teaching offers a five-step process by which Christian educators can construct a bridge across time, geography, and culture to help students of all ages connect with God's Word. This newly revised edition makes learning about God's Word more accessible for both teachers and
