Dying to Tell: A Slaughter Creek Novel is by Rita Herron. It is a psychological thriller. I usually don't like this type of a thriller as they usually scare me to death before I get very far into them. This one, however, really caught my attention and didn't scare me too much. I was too interested in finding out what would happen to Sadie.

Slaughter Creek. Sadie Nettleton fled Slaughter Creek ten years ago, leaving behind the only home she'd ever known—and the only man she ever loved. Sadie knew Jake Blackwood could never forgive her if he discovered her terrible secret, so she ran and never looked back. But when her grandfather is murdered, and her mentally ill twin sister charged with the crime, Sadie has no choice but to return and face the ghosts of her past...
