Fujifilm FinePix 2650 / Fujifilm FinePix A204 review . By geoherb, Sep 8, 2003. 0. replies. This Fuji camera had "focus error" problem six weeks after purchase. Before the problem occurred, I had been pleased with the ease of use and quality of images. The settings are accessible through menus visible on the LCD screen.

FUJIFILM FINEPIX 2600 ZOOM SPECIFICATIONS Pdf Download.

I finally took the digital plunge and bought the Finepix 2650. This camera is nearly everything I wanted in a digital camera. The software loads and works with ease. The pictures are very good even in the lowest resolution. The colors are very natural. The price was affordable. As a place to get started in digital photography this is a good choice.
