Online Library Hans Andersens Fairy Tales First Series Kindle Edition Christian Andersen

More than 150 tales from Hans Christian Andersen, including such classics as "Thumbelina," "The Snow Queen," and "The Ugly Duckling," are collected for this beautifully illustrated volume.

Classic tales of fairies and princesses, ducklings and dancing shoes from the master storyteller Hans Christian Andersen. All the best-loved fairy tales of Hans Christian Andersen, including "The Ugly Duckling," "Thumbelina," "The Red Shoes," "The Princess on the Pea," and "The Emperor's New Clothes," fill the pages of this beautiful leather-bound collector's edition. Also included is "The Tallow Candle"—one of the earliest stories written by Andersen, just discovered recently! A great book of bedtime stories or for rainy day reading, as there are both short and long anecdotes included. The attached bookmark ribbon ensures you'll never lose your place as you wander through the imagination of one of the most popular children's writers of all time. Curl up with this collection of classics and lose yourself in childhood memories.

This beautiful book, originally published in 1913, contains a collection of seventeen classic fairy tales by Hans Christian Andersen. Stories include, The March King's Daughter, The Snow Queen, The Storks, The Real Princess, The Little Mermaid, The Ugly Duckling and more. These classic tales are accompanied by 16 incredible colour illustrations many beautiful and intricate black and white drawings by W. Heath Robinson. An English cartoonist and illustrator, best known for drawings of ridiculously complicated machines — for achieving deceptively simple objectives. Such was (and is) his fame, that the term "Heath Robinson" entered the English language during the First World War, as a description of any unnecessarily complex and implausible contrivance. Hans Christian Andersen (1805 - 1875) was a Danish writer. He wrote many poems, travelogues, and plays, but he is most famous for his fairy tales, which have been translated into over 125 languages and continue to have a significant influence on western popular culture. This timeless collection would make for a worthy addition to any child's bookshelf and is not to be missed by fans and collectors of Andersen's illustrated works. We are republishing it here as part of our "Pook Press" imprint, celebrating the golden age of illustration in children's literature. We publish rare and vintage Golden Age illustrated books, in high-quality colour editions, so that the masterful artwork and story-telling can continue to delight both young and old.

"Hans Andersen's Fairy Tales. First Series" by H. C. Andersen. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

Many of the earliest children's books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. Pook Press are working to republish these classic works in affordable, high quality, colour editions, using the original text and artwork so these works can delight another generation of children.

A collection of Hans Christian Andersen's best loved fairy tales is here illustrated with the magnificent Art Nouveau colour illustrations of Kay Nielsen. This was a project that took Nielsen 12 years to complete, and his illustrations perfectly capture the other-worldly spirit of the subject matter. Many of the earliest children's books, particularly those dating back to the 1850s and before, are now extremely scarce and increasingly expensive. Pook Press are working to republish these classic works in affordable, high quality, colour editions, using the original text and artwork so these works can delight another generation of children. About the Author: Hans Christian Andersen (1805-1875) was a Danish

Online Library Hans Andersens Fairy Tales First Series Kindle Edition Christian Andersen

poet and author celebrated for his children's stories but perhaps best known for his immortal Fairy Tales meant for both adults and children and frequently written in a colloquial style to veil their sophisticated moral teachings. He broke new ground in terms of style and content by using idioms and constructions of spoken language in a way that had previously not been seen in Danish literature. His poetry and stories have been translated into over 150 languages, inspiring a wealth of films, plays and ballets. About the Illustrator: Kay Nielsen (1886-1957) was a Danish illustrator of the golden age of illustration. He was influenced by Japanese art and the Swedish fairy tale illustrator John Bauer and contributed to the Art Nouveau movement. His illustrations are bold, and vibrant - often reproduced by a 4-colour process which set him apart from his contemporaries who typically used a 3-colour process. His art is characterised by long, swooping lines, open spaces and a certain macabre quality and his ephemeral illustrations are intricately inventive, flirting with implausibility. The shift in taste from fantasy to realism after WWII meant that Nielsen did not retain his pre-war popularity. However, interest in his exquisite illustrations has since been revived, and they now command a high price in today's art world.

Hans Christian Andersen; often referred to in Scandinavia as H. C. Andersen; (2 April 1805 - 4 August 1875) was a Danish author. Although a prolific writer of plays, travelogues, novels, and poems, Andersen is best remembered for his fairy tales. Andersen's popularity is not limited to children; his stories, called eventyr in Danish, express themes that transcend age and nationality. Andersen's fairy tales, which have been translated into more than 125 languages, have become culturally embedded in the West's collective consciousness, readily accessible to children, but presenting lessons of virtue and resilience in the face of adversity for mature readers as well. Some of his most famous fairy tales include "The Emperor's New Clothes," "The Little Mermaid," "The Nightingale," "The Snow Queen," "The Ugly Duckling," "Thumbelina" and many more. His stories have inspired ballets, animated and live-action films and plays. This classic title has been published by RADLEY BOOKS. Each RADLEY CLASSIC is a meticulously restored, luxurious and faithful reproduction of a classic book; produced with elegant text layout, clarity of presentation, and stylistic features that make reading a true pleasure. Special attention is given to legible fonts and adequate letter sizing, correct line length for readability, generous margins and triple lead (lavish line separation); plus we do not allow any mistakes/changes/additions to creep into the author's words. Visit RADLEY BOOKS at www.radleybooks.com (or search RADLEY CLASSIC on Amazon) to see more classic book titles in this series.

The Hans Andersen Fairy Tales will be read in schools and homes as long as there are children who love to read. As a story-teller for children the author has no rival in power to enlist the imagination and carry it along natural, healthful lines. The power of his tales to charm and elevate runs like a living thread through whatever he writes. In the two books in which they are here presented they have met the tests and held an undiminishing popularity among the best children's books. They are recognized as standards, and as juvenile writings come to be more carefully standardized, their place in permanent literature will grow wider and more secure. A few children's authors will be ranked among the Immortals, and Hans Andersen is one of them. The text of the present edition is a reprint of an earlier one which was based upon a sentence-by-sentence comparison of the four or five translations current in Europe and America. It has been widely commended as enjoyable reading, while faithful to the letter and spirit of the Danish original. A slight abridgment has been made in two of the longer stories. The order of the selections adapts the reading to the growing child-the First Series should be sufficiently easy for children of about eight or nine years old.
