HOW does an idea become a novel? What are the minute-by-minute decisions and discoveries that lead to the realization of an artistic vision? In this companion book to the novel Water Lane: The Pilgrimage of Christopher Marlowe, the reader of the novel is invited to look over the shoulder of the writer at the process whereby a cluster of related images evolves into a realized work of art, and at the on-going exploration of the techniques that will allow us to process the bombardment of images that is life as we experience it in the 21st Century.

A burned-out trial lawyer is conscripted to aid his friend, whose girlfriend's body was found on his balcony.

Best-Selling and Award-Winning Author Sleepy Longboat Key comes alive with multiple crimes The quiet of Longboat Key, Florida, is shattered when an old man is shot to death and his murderer is killed while fleeing the police. Strange documents in German and Arabic are found in the killer's car, then an old friend of the murdered man disappears. The island's only detective, Jennifer Diane (J.D.) Duncan receives a text message with a picture taken that morning of a college friend whom she thought was dead. Matt Royal and J.D. are pursued by men who would do them harm, and Matt's best friend, Jock Algren, a shadowy operative of the U.S. government's most secretive intelligence agency, comes to visit the island. As the mystery deepens, a ragtag group of devious and dangerous characters intrudes on the lives of the islanders, creating a kind of havoc unusual for a sun-splashed island full of retirees and beach bums. Matt, J.D., and Jock rush to find the answer to why one old man was killed and another disappeared, the meaning of the photo sent to J.D. of her almost surely dead college friend, and why somebody is trying to kill them. 1814: It's the third year of the United States second War of Independence. The British are on the verge of capturing the strategically important port of New Orleans. In the midst of the Americans' chaotic preparations for battle, three women play key roles in the defense of the city: Catherine, a free woman of color, voodoo priestess, and noted healer personally summoned by General Andrew Jackson; Marguerite, a pampered Creole plantation mistress prone to out-of-body experiences; and Millie, a plucky, patriotic prostitute inspired by her pirate lover to serve in the most dangerous capacity of all. These three women's lives and fates become intertwined as they join forces to defend their country. Inspired by the contributions of real-life women during the Battle of New Orleans, The Cards Don't Lie is a story of love, rebellion, intimacy, betrayal, and heroism in the face of terror and barbaric brutality.

DEEP SIX NAMED ONE OF SUSPENSE MAGAZINE'S "BEST BOOKS OF 2016" Ex-professional baseball player Jake Longly adamantly refuses to work for his father, wanting no part of Ray's PI world. He prefers to hang out at his beachfront bar and chase bikinis along the sugary beaches of Gulf Shores, Alabama. But Ray could be persuasive, so Jake finds himself staking out the home of wealthy Barbara Plummer, a suspected adulteress. The mission seems simple enough—hang around, take a few pictures, sip a little bourbon. Except Barbara gets herself murdered right under Jake's nose. When Jake launches into an investigation of his target's homicide, he quickly runs afoul of Ukrainian mobster Victor Borkov. Aided by his new girlfriend Nicole Jemison and Tommy "Pancake" Jeffers, his behemoth employee with crazy computer skills, Jake tries to peel away the layers of the crime. When a serial killer shows up on Longboat Key, Florida after a twelve year absence, Matt Royal is stymied. The first woman killed on Longboat Key has ties to a secretive government agency for which Matt's best friend Jock Algren works. Was this a coincidence or was she a targeted kill? Matt's friend, Longboat Key detective Jennifer Diane (J.D.) Duncan investigates the murders but also seems to be a target of the killer. Why? And where has the killer been for the past twelve years? And why has he come to Longboat Key when his earlier kills were all in Miami? The mystery deepens when Guatemalan gang-bangers try to kill Matt and J.D. and suspicions grow that Mexican drug cartels are somehow involved. The director of Jock's agency orders him to do whatever is necessary to find the killer because of the death of the woman with connections to the agency. Will Jock simply take out the murderer or allow J.D. and the law to arrest, try and convict the bad guys? Matt's life is further complicated by J.D.'s growing dissatisfaction with island living and her thoughts of returning to Miami.
