destination in West Virginia. We float and wade sections in NC and VA and have private accesses in both states.

The New River is one of the most changeable and fickle rivers on the East Coast--and also one of the most beautiful and rewarding. It attracts anglers, canoeists, kayakers, rafters, bird watchers, rock climbers, and those who simply enjoy the great outdoors. The New River Guide provides an indispensable overview of this untamed and scenic waterway as it winds through three states, including the bucolic South Fork in North Carolina, the ridges of Virginia, and the gorges of West Virginia. Both casual and hardcore anglers will learn of the best places to fish for smallmouth bass. Canoeists will find the most enticing sections to paddle, whether

# Read Book New River Musky Guide

they prefer placid stretches or white water. Rafters and kayakers headed for Class IV rapids in the New River Gorge will find *The New River Guide* a must-read. This new edition for 2015 includes updated and expanded information on favorite float trips, fishing spots, access points, bass lines and lures, and river guides and other resources.

"Care not, I, to fish in seas Fresh rivers best my mind to please Whose sweet calm course I contemplate And seek in life to imitate." —Izaak Walton With Walton's lines as inspiration, M. W. Smith launches us on an informative journey to the best fishing spots in and around the New River Valley. Covering a wide range of prime fishing territory across western Virginia, Smith's guidebook explores techniques designed to increase the day's catch and locations certain to enhance an angler's

# Read Book New River Musky Guide

enjoyment of the region's natural beauty. Fishing the New River Valley includes lists of stocked trout streams, tips for successful wintertime fishing, live bait approaches, and spinning and fly-fishing suggestions. Smith offers helpful tips on fishing Claytor Lake for striped bass and walleye during cold-weather months and for smallmouth bass during the spring, summer, and fall. He also provides excellent information on float trips, wading, and fishing from boats at key points along the New River. The book features a comprehensive map of New River Valley streams and specific fishing locations along with extensive listings of local guide services, tackle shops, rod and reel repair shops, boat dealers, and more. Whether you are a novice or professional angler, a visitor or a longtime resident of western Virginia, Fishing the New River Valley will tell you where, when, and how

Fly Fishing (Smallmouth Angler Press, 2005), and creator of the DVD Stream Smallmouth Fishing (Smallmouth Angler Productions, 2007)

In this second edition of Bob Gooch's Virginia Fishing Guide, M. W. Smith offers an updated version of a classic work of Virginia outdoor literature. Providing a new preface and appendices, Smith also recasts the volume's introduction and site listings to reflect such changes as new "catch and release only" designations and stocking schedules (for trout streams). This edition features a fresh design with new maps and photographs.

Whether you're casting from the bank or fishing from a boat, "Washington River Maps & Fishing Guide" tells you where to be and when to be there. Learn the secrets of Washington's best rivers, including the

Insider information you need to experience the very best fishing Washington has to offer. We've even included phone and email information for the essential services and accommodations specific to the needs of fishermen.

The James River is Virginia's premier river for recreation, and The James River Guide is the key to enjoying it, whether you are an angler, kayaker, rafter, or bird watcher. Twenty-nine locator maps provide vital information on the river, all the way from its headwaters near Iron Gate to the dramatic fall line at Richmond. The longest river in the Old Dominion, the James offers some of the best smallmouth bass fishing in the state. Spring blossoms, fall color, and the fascinating history of the batteaux era's canals lend the James a unique charm. There is something for everyone. River runners will face

# Read Book New River Musky Guide

everything from placid stretches of calm water to white-water rapids that should only be tackled by the most experienced paddler. This new edition for 2015 includes updated and expanded information on favorite float trips, including new coverage of the marvelous Maury River, the main tributary of the Upper James; favorite fishing spots; updated access points; classic fishing lures; and directories of river guides and other resources.

This completely updated edition of Paul Weamer's guide to the Upper Delaware includes new interviews with some of the river's most renowned guides and outfitters, including the legendary Al Caucci. Includes information on the latest dining and lodging options in the area, as well as access points and the hatches and patterns that work best.

# Read Book New River Musky Guide

The South Platte River begins high atop the frozen Continental Divide, home to a chain of rugged 13,000-foot, snow-capped peaks. This region comprises lush valleys, meandering meadow streams, and rose-colored, boulder-filled canyons. For generations this area has been a recreation mecca and a fly fisher's paradise in its purest form. Out of all the trout fisheries in America that are within an hour's drive of a major metropolitan area, the South Platte River is clearly one of the best. It has become a river shrine to thousands of anglers on an annual basis and for good reason. Throughout the river's entirety, the South Platte creates a series of reservoirs (Antero, Spinney, Eleven Mile, Cheesman, Strontia Springs, and Chatfield) that provide major metropolitan water storage systems for Denver Water and the City of Aurora. The by-products of these storage

# Read Book New River Musky Guide

facilities are world-class tailwaters that provide anglers with year-round fishing opportunities. Against all odds, the South Platte River remains a world-class trout fishery abundant with some of the most finicky and challenging trout in the world. There's a common belief among South Platte regulars—if you can catch trout on the South Platte; you can catch trout anywhere in the world. \* Completely new maps and updated river, access, and fishing information \* Regional experts like Landon Mayer, Greg Blessing, Jeremy Hyatt, Chris Wells, Richard Pilatzke and John Perizzolo, Rick Mikesell and many more, share insider information \* New line up of cutting-edge fly patterns \* Additional chapters on stillwaters and the Denver Metro Area

Covers the Snake River, its tributaries, the hatches, flies, and how to fish this unique
