In recent years, social scientists have engaged in a deep debate over the methods appropriate to their research. Their long reliance on passive observational collection of information has been challenged by proponents of experimental methods designed to precisely infer causal effects through active intervention in the social world. Some scholars claim that field experiments represent a new gold standard and the best way forward, while others insist that these methods carry inherent inconsistencies, limitations, or ethical dilemmas that observational approaches do not. This unique collection of essays by the most influential figures on every side of this debate reveals its most important stakes and will provide useful guidance to students and scholars in many disciplines.

After nearly 20 years of visiting breweries as a hobby, Merideth Canham-Nelson and her husband Chris embarked on their most ambitious adventure yet: a year-long journey discovering the world through beer culture. Aiming to fulfill their fantasy of becoming professional beer travelers, the couple spent a year visiting a major beer event or destination each month. What started out as a lofty escapade turned into a year of Canham-Nelson's self-discovery, conquering insecurities and coming into her own. Narrated in the first person, *Teachings from the Tap* explores one or more journeys each month and pairs those beer travel tales with a corresponding life lesson. The result is a detailed account with one-of-a-kind stories that cover the range of emotions created by interesting encounters and new experiences.

This striking example of Malaguzzi's work and philosophy-in-practice has not previously been available to the scholarly community or to the public interested in the history of the Reggio Emilia educational experience. Its round-table discussions and dialogues reveal valuable insights into the ways young children can be encouraged towards cooperative learning experiences, with implications far beyond the particular curriculum at hand. The editors' commitment to progressive education and to the rights and potential of all children worldwide has led them to share this rich record of the experience, so that current readers and those yet to come can glimpse the brilliant minds at work during this era (1990), and as it were, "listen in" on the fascinating discussions that were held on the topic of "cooperation."

The harrowing scene is always the same: the home of a single woman, no signs of forced entry, no evidence of an intruder, and no victim—only a bathtub filled with blood. Newly promoted homicide detective Angel Alves wants to make his mark in the department and a difference on the streets, but tracking this elusive serial killer sorely challenges his commitment and skills. Meanwhile, assistant DA Conrad Darget has his own hands full mentoring an

ambitious young law student and rallying his fellow attorneys in their daily courtroom battles. With each new attack the twisted mystery only deepens, and the hunger for answers—and action—intensifies. No sane mind could comprehend the dark design behind it all. And no one can anticipate the final fateful strokes that will lead to a shocking endgame.

Biography of Samuel L. Southard, one of New Jersey's most distinguished political leaders. Southard (1787–1842) participated in most of the major political controversies of his era, from the bitter Federalist–Republican competition during the War of 1812 through the rise and flowering of the second American party system. During a career that spanned three decades, Southard served in a remarkable array of weighty offices—state attorney general, New Jersey supreme court justice, governor, Secretary of the Navy, United States senator, and president of the Morris Canal and Banking Company.

The first historically and internationally comprehensive collection of its kind, *Essayists on the Essay* is a path-breaking work that is nothing less than a richly varied sourcebook for anyone interested in the theory, practice, and art of the essay. This unique work includes a selection of fifty distinctive pieces by American, Canadian, English, European, and South American essayists from Montaigne to the present—many of which have not previously been anthologized or translated—as well as a detailed bibliographical and thematic guide to hundreds of additional works about the essay. From a buoyant introduction that provides a sweeping historical and analytic overview of essayists' thinking about their genre—a collective poetics of the essay—to the detailed headnotes offering pointed information about both the essayists themselves and the anthologized selections, to the richly detailed bibliographic sections, *Essayists on the Essay* is essential to anyone who cares about the form. This collection provides teachers, scholars, essayists, and readers with the materials they need to take a fresh look at this important but often overlooked form that has for too long been relegated to the role of service genre—used primarily to write about other more “literary” genres or to teach young people how to write. Here, in a single celebratory volume, are four centuries of commentary and theory reminding us of the essay's storied history, its international appeal, and its relationship not just with poetry and fiction but also with radio, film, video, and new media.
