TriZetto Health Claims Processing Product: QNXT | Cognizant

Despite what we've read in articles that talk about the "future of work" and the role of technology and automation in the workplace; Most jobs won't be automated away, they will change at the margins, requiring nearly all individuals to continuously adapt to use increasingly digital tools. Unfortunately, a study discussed during a National Skills Coalition panel on Feb. 5, 2020, in ...
