Standing In the Shadows The McCloud Brothers
(Series) Shannon McKenna Author (2004)

In this suspenseful sequel to "Behind Closed Doors," a former FBI agent who is scarred by betrayal finds himself tested by searing desire for a woman who tempts him beyond reason and is now the bait in a deadly trap.

Every Move You Make. . . Surveillance expert Seth Mackey knows everything about the women

that his millionaire boss toys with--and tosses aside. Raine Cameron is something different. Night after night, Seth watches her on a dozen different video screens. Her vulnerable beauty haunts him and her fresh innocence stirs a white-hot passion that he can barely control. Raine is pure temptation, but Seth has something more important to take care of first. He's convinced that his boss, Victor Lazar, is responsible for his half-brother's murder. He cannot put his secret investigation at risk, but he can't stop wanting her--craving her--and soon he knows he can't let Victor have her. For Raine may

be Victor's next victim. . . Every Breath You
Take Raine knows she's being watched--but no
one can see the secrets in her heart. She has
reasons of her own to seek revenge on Victor
Lazar, and she will, despite her fear--and
the distracting presence of Seth Mackey.
Though Raine has little experience with men,
Seth's fiercely masculine good looks and
animal sensuality stir her most erotic
fantasies when she's along. . .and lead her
to a bold plan. Offering her body to him,
surrendering totally to his ruthless desire
might well push her beyond all emotional
limits--and beyond fear itself.
