Chemistry 7th Edition

Unlike other books, the textbook did not have the odd answers in the back, so the solutions manual was necessary. There were also helpful study guides with consolidated information from the chapter.

~~Student Study Guide/Solutions Manual for use with Organic ...~~

This solutions manual is the perfect buy to go along with the text book. It shows you how to be reactions and mechanism. I've used this book for two upper division organic chemistry classes and it has been a significant help. The book

came quickly and as described in perfect condition. Great buy and will do business again in the future.

~~Student Study Guide and
Student Solutions Manual to~~
...

This solution manual provides paragraph-long explanations with each answer, as opposed to just providing answers. It shows you how to arrive to an answer, and explains why the correct answer is the best one. An added bonus is that the paper is pretty light weight, so the solution weighs less than the textbook.
