In Joan Gable's Summer of Firefly Memories, the first installment in the Loon Lake Woman's fiction romance series, she told us a beautiful tale about family and second chances in love. For Samantha McGreggor and her two sisters, they lost their parents, twenty years ago. They had dealt with the loss in their own way and haven't seen each other since.

~~Summer of Firefly Memories (Loon Lake, #1) by Joan Gable~~

Longing for some personal identity, Gabby hopes to regain some self awareness this summer. Read what happens when these sisters get together to recapture those fleeting flashes of memories, "firefly memories". In September 2010, FIRST for Women Magazine included Summer of Firefly Memories as its FIRST pick for Chick Lit. FIRST editorial assistant Mirel Ketchiff gave a heartfelt review – "This is the perfect beach read.

Summer of Firefly Memories April 22, 2019 · Watching the ephemeral flash of a firefly's abdomen pinprick the night sky is always a summer highlight at the cottage.

~~Summer of Firefly Memories - Home | Facebook~~

Summer of Firefly Memories was never written as the start of a series. It was a stand-alone story about four sisters reuniting after years of confusion and hurt feelings—something many relationships experience. Yes, the ending wasn't the typical happily-ever-after. It was realistic for a story that took place over a few short months.

Summer of Dragonfly changes I loved this book just like I did Summer of Firefly Memories!! I definitely could relate to the story line and characters. Asbo said I am the baby of 5 girls. My father passed away when I was 37 and my Mom passed away when I was 55.

~~Summer of Dragonfly Changes (Loon Lake Series, #2) by Joan ...~~

Joan Gable's novel Summer of Firefly Memories is a thought-provoking, fun, believable story about 4 sisters attempting to bond after family dysfunction and tragedy has pulled them apart over several years. This book has great character development and is full of plot twists/turns.

First in a series, this deeply moving literary fiction takes a tender look at what the memory keeps and what the heart never forgets.

Family really is a pain...especially when your father is an addict. For the last two years, high school senior Ruby has been her own rock and solace. She has learned to depend only on herself and hides her family's issues by keeping herself somewhat unnoticeable. Despite her isolation, Ruby has intrigued the affections of someone unexpected. She finds herself loving life once again as his persistence sparks a romance awakening a well-protected heart. While Ruby's relationship with her father is constantly teetering, her new-found affection continues to blossom into something more than she ever thought possible. Soon, Ruby comes to realize that opening up your heart means being susceptible to love and disappointment. Young Adult - Teen *This book contains mature content including profanity, drug/alcohol use, and sexual situations/language.

In the midst of a catastrophic August rainstorm, a grisly discovery shatters the serenity of a summer evening in northern Wisconsin. Moving quickly to prevent a panic among tourists, Loon Lake Police Chief

Lewellyn Ferris enlists the forensic and interrogation skills of her close friend and fellow fly fisherman, the retired dentist "Doc" Osborne. Within hours of launching their investigation, they find themselves faced with a national media circus as Loon Lake becomes the focus of a murderous scenario that links the murder to the race for the U.S. Senate by a woman who is heir to a Northwoods fortune and other, less savory, family traditions. In the meantime, Doc Osborne's eldest daughter, Mallory, enters into a relationship that may put her life at risk--unless her father and Chief Ferris can find the killer stalking the residents of Loon Lake.

After a delicate pregnancy, Jenny and Tom are days away from having their sixth child. But when Jenny is kidnapped by a deranged woman, the family must summon all of their faith as Jenny fights for her life. Religious Fiction. "I literally couldn't put it down and give Stealing Jenny my highest recommendation." Lisa M. Hendey, Founder of CatholicMom.com and author of "A Book of Saints for Catholic Moms" "Ellen Gable is a masterful storyteller. Stealing Jenny is a smoothly written, chilling tale of gripping suspense. There are terrifying moments and heart-wrenching moments. Catholic faith and hope are tested. Above all, the sacredness and privilege of precious new life is made indisputably evident. I never wanted it to end " Therese Heckenkamp, Traditional Catholic Novels.com "Stealing Jenny is my favorite kind of fiction: a thought-provoking psychological suspense novel in its own right, with a life-affirming message that adds even more to its depth. Another finely-plotted story and a cast of very real and well-drawn characters which highlight Ellen Gable's ability to write beautiful Catholic fiction in any genre." Krisi Keley, author, "On the Soul of a Vampire," and "Pro Luce Habere" "Stealing Jenny will keep you on the edge of your seat and probably destroy your sleep pattern as you stay up to find out what happens. But beyond being a great suspense, it's also an excellent example of morals in action and family life redeemed." Sarah Reinhard, author "Welcome Baby Jesus: Advent and Christmas Reflections for Families"

Police Chief Lew Ferris hits a snag while investigating a double murder—and pursuing a killer more slippery than any muskie she's had her hands on. While out kayaking, Paul Osborne discovers the grisly remains of a woman—whose shoulders bear mysterious bite marks. And just as Lew begins her investigation, another body turns up... The second victim was a successful businesswoman from Kansas City, and the evidence indicates she was in Loon Lake for a rendezvous with an ex-lover—a con man who had tried to get his hands on her money. Now, Lew's got two confusing cases—and a killer who may be more elusive than any fish...

Between a fishing tournament and a biker convention, Doc Osborne and Police Chief Ferris are spending less time catching bass and more time catching crooks... For fishing pals (or are they more than just pals?) Doc Osborne and Police Chief Lew Ferris, Loon Lake, Wisconsin, is usually a great place to seek out some mutual solitude in the trout stream. But lately, the town has been teeming with competitive bass fisherman and bikers, too many less-than-savory characters. Meanwhile, there's an old murder case Doc's bent on solving even as he himself is stalked by a mysterious visitor.

"This book is important to every mother and daughter, and to every woman who wants to be one." MAYA ANGELOU Jo Maeder was a high-energy, irreverent Z100 radio "ZJ" in New York City when a series of crises led her to do the unthinkable: leave New York for the Bible Belt- "Greensboring," North Carolina-to care for her estranged, eccentric "Mama Jo." What she thought would be some of the worst years of her life turned out to be some of the best. The same was true for her mother. Jo also discovered there's nothing boring about Greensboro. Though often rocky, this "marriage" was a triumphant success, leading Jo to repair a long-fractured family, smooth her rough edges, and find a new and vibrant life she never imagined. This you'll-laugh-you'll-cry story has helped others navigate their own present or future "long goodbye" with an elderly loved one as well as the complex family issues that arise. Even those who have already lost a loved one have felt a cathartic release and clarity. "This generous gift of a book explores the mystery of how doing the right thing can, in the end, become infinitely more." Tommy Hays

It's late January in Loon Lake and bodies abound: a woman on snowshoes has been discovered wedged under a wooden bridge on a cross-country ski trail. A day later, Police Chief Lewellyn Ferris interviews a couple who alleges that the wife, a former nun, is being stalked. Meanwhile, Loon Lake is hosting an International Ice Fishing Festival with problems.

Left at a convent in Johnstown, PA as a baby, fifteen year old Nell, has no notion of who she is or who her people are. Born with a cleft palate and much smarter than she looks, Nell yearns for a place in the world, yearns to find her mother, whose name,

Life can change in a heartbeat... Ali Jenson's life changed forever the moment her mother died. The sixteen-year-old was suddenly swept away from the life she knew in California to live with her estranged grandfather in the deep woods of northern Minnesota. Ali's life has never been easy, but it seems her grandfather is trying his best to make it even more difficult. Her only hope is to get through the summer and her last year of high school so she can return to her old life in California. What she hadn't counted on was slowly becoming attached to the grumpy old man and falling in love for the very first time. Benjamin Jenson never planned on meeting his granddaughter, let alone having her live with him. He isn't thrilled with the idea of a teenage girl coming into his home or his life. He'd been down that path once before and he didn't want to relive it again. But he is her only living relative and he knew his deceased wife, Lizzie, would have wanted him to give Ali a home. Grudgingly, he figured he could put up with the girl for a year. He never expected Ali to find a way into his heart and make him face painful past memories and his worst fear. The fear of losing yet another person he loves. Will Ben finally let go of the past and give Ali the one thing she's always dreamed of? A home.
