The Babies and Doggies Book by John Schindel, Molly ...

What I like about this book is the variety of babies (full body, close up of faces, eating, running, multiple babies in one photo, both girls and boys, and many different races). The facing pages with pictures of doggies doing the same things as the babies adds a lot of interest to the book.

There's A Baby in the House: Preparing your Dog for the ...

The book's square format is a little larger than most board books, with left-hand pages showing the children in action and right-hand pages with dogs in similar poses. The child models (all undeniably cute) range in age from crawling babies to a running 2-year-old, and of the 19 children, 10 are children of color.
