The Chocolate Run is a delectable tale of lust, love and chocolate. The blurb means... The Chocolate Run is very different from my first novel, The Cupid Effect.

So far this is my least favorite Dorothy Koomson book. I was very disappointed after ordering (3) of Dorothy's books from UK which are not available in the US, including " The Chocolate Run", "Ice Cream Girls" and "The Cupid Effect". I chose "The Chocolate Run" to read first and it did not set a good tone.

Dorothy Koomson is a wonderful character writer, and humourous to boot. In Chocolate Run she introduces you to Amber Salpone, and Greg Walterson (named after Gregory Peck), now it's your typical plot. Girl meets boy, girl knows boy is a man .... and he so is, and for three years life is good.

Compared to other books, The chocolate run isn't bad. Compared to other books by Dorothy Koomson, it just doesn't stand a chance. Having read all but one of her books (Marshmallows for breakfast), this one is my least favorite. It has been a while since I read it and it's not very memorable.

Dorothy Koomson - Wikipedia

This is the first time I read a book by Dorothy Koomson, and it's 2 story in 1. I have to say I enjoyed every bits of it. I think there was too much affections among the main characters in Chocolate Run then when The Cupid Effect came in, which lack of affection on the main character's love life, I got a lil disappointed.
