A three-time WWE champion shares first-person testimony about competing in the ring, in a personal account that describes one of his most important and challenging matches, his training methods, and some of his more dangerous wrestling stunts. Reprint. 50,000 first printing.

In *Foley Is Good*, Mick Foley -- former Commissioner of the World Wrestling Federation, aka Cactus Jack, Dude Love, and Mankind -- picks up right where his smash #1 New York Times bestseller *Have a Nice Day!* left off, giving readers an inside look at the behind-the-scenes action in the Federation. With total honesty and riotous humor, Mick Foley shines a spotlight into some of the hidden corners of the World Wrestling Federation. From the ongoing controversy surrounding "backyard wrestling" to the real story behind his now-infamous "I Quit" match with The Rock, Foley covers all the bases in this hysterically funny roller-coaster ride of a memoir.

Mick Foley is a nice man, a family man who loves amusement parks and eating ice cream in bed. So how to explain those Japanese death matches in rings with explosives, golden thumbtacks and barbed wire instead of rope? The second-degree burn tissue? And the missing ear that was ripped off during a bout-in which he kept fighting? Here is an intimate glimpse into Mick Foley's mind, his history, his work and what some might call his pathology. Now with a bonus chapter summarizing the past 15 months-from his

From beloved #1 New York Times bestselling author and WWE Hall-of-Famer Mick Foley comes a Yuletide tale like no other. After a lifetime of putting his body on the line to entertain his dozens (and dozens!) of fans, the Hardcore Legend is paying the price - physically and emotionally. When the final bell on Mick's career tolls, not in the ring, but in a neurologist's office, his future seems far from merry and bright. Until Mick is given the chance to become Santa Claus - not dress up, not pretend, but become Santa - allowing him to rediscover the joy of performing. Fully committing to his new mission, Mick details the drastic measures he takes to keep the Christmas magic alive for his young children, as well as the many children he meets in his travels who are in need of some Christmas Spirit. In order to fully embrace his new red-suited responsibilities, Mick enters the fascinating world of the Santa subculture, where he hones his Christmas craft while worrying he'll be excommunicated from the Santa world for, among other things, his Santa character being run over by a motor vehicle on Christmas Eve on WWE television. And with the help of an unlikely elf - 8-time Grammy award winner Norah Jones - Mick learns valuable lessons about the real power and
