However, in The Friar and the Cipher, the acclaimed bibliophiles and historians Lawrence and Nancy Goldstone describe, in fascinating detail, the theory that Roger Bacon, the noted thirteenth-century, pre-Copernican astronomer, was its author and that the perplexing alphabet was written in his hand. Along the way, they explain the many proposed solutions that scholars have put forth and the myriad attempts at labeling the manuscript's content, from Latin or Greek shorthand to Arabic numerals ...

The Friar and the Cipher: Roger Bacon and the Unsolved ...

I particularly recommend reading The Friar and the Cipher along The Island at the Center of the World, a book with which it shares famous characters and events of that special age. Both works are also excellent gifts to your brainy niece, or avid reader father-in-law.

The Friar and the Cipher: Roger Bacon and the Unsolved ...

For a book titled "The Friar and the Cipher", I really expected more about the cipher. The book was billed as being about this strange manuscript from the 13th century, yet it barely got any mention in the book.

The Friar and the Cipher: Roger Bacon and the Unsolved ...

In The Friar and the Cipher the Goldstone's attempt a similar look at history through the lens of important books with Roger Bacon and a book known as the Voynich manuscript. The Voynich manuscript is a mystery. Discovered in 1912, this book has remained unfathomable for nearly a century.

Amazon.com: Customer reviews: The Friar and the Cipher ...

The Friar and the Cipher is a wonderful book on Western philosophy. However, there is nothing really new in the book when it comes to the manuscript. It takes no sides in the controversy, only saying that it seems likely that Bacon did write it.

The Friar and the Cipher: Roger Bacon and the Unsolved ...

The Friar and the Cipher is a wonderfully entertaining and historically wide-ranging book that is one part The Code Book , one part Possession , and one part The Da Vinci Code -and will appeal to bibliophiles and laypeople alike.
