The Years of Rice and Salt is a novel by Kim Stanley Robinson. At first this is hard to believe because he doesn't refer to women as dolphins in it, but then on page 545 he refers to one as a "big wet beautiful animal," so you know it's the real deal. Rice and Salt is an alternate history which begins shortly after its point of divergence with the real world.

"The Years of Rice and Salt" by Kim Stanley Robinson ...

Kim Stanley Robinson's The Years of Rice and Salt is a storehouse of thought. It is a dense, informed, impassioned and huge novel by an author who is a comprehensive and insatiable thinker. At times it seems much too short, stuffed as it is with ideas about everything: politics, ecology, science, religion, history.
