"Third culture kids" are individuals who have spent a significant portion of their lives outside of their country of origin. In this paper, using previous research on Third Culture Kids (TCKs), my own experiences transitioning up overseas and moving back to the United States, and micro and macro sociological theories, I explore my perceptions of self and my relationships, as well as my broad view of the world.

["Growing Up A Third Culture Kid: A Sociological Self..."](#)

Third Culture Kids (TCK) is a must-read for parents, extended-family and supporters of kids who grow up in foreign countries or cultures in my opinion. The basic premise of the book is that kids who grow up in a different country (like our kids!) end up learning from both home and host cultures and yet never fully becoming part of either one.
