Aligned to your State Standards and written to Bloom's Taxonomy, additional writing tasks, crossword, word search, comprehension quiz and answer key are also included.~~

~~INTRODUCTION Representing Congress presents a selection of political cartoons by Clifford K. Berryman to engage students in a discussion of what Congress is, how it works, and what it does. It features the masterful work of one of America's preeminent political cartoonists and showcases his ability to use portraits, representative symbols and figures, and iconic personifications to convey thought-provoking insights into the institutions and issues of civic life. The House of Representatives and Senate take center stage as national elected officials work to realize the ideals of the Founders. This eBook is designed to teach students to analyze history as conveyed in visual media. The cartoons offer comments about various moments in history, and they challenge the reader to evaluate their perspective and objectivity. Viewed outside their original journalistic context, the cartoons engage and amuse as comic art, but they can also puzzle a reader with references to little-remembered events and people. This eBook provides contextual information on each cartoon to help dispel the historical mysteries. Berryman's cartoons were originally published as illustrations for the front page of the Washington Post and the Washington Evening Star at various dates spanning the years from 1896 to 1949. Thirty-nine cartoons selected from the more than 2,400 original Berryman drawings preserved at the Center for Legislative Archives convey thumbnail sketches of Congress in action to reveal some of the enduring features of our national representative government. For more than 50 years, Berryman's cartoons engaged readers of Washington's newspapers, illustrating everyday political events as they related to larger issues of civic life. These cartoons promise to engage students in similar ways today. The cartoons intrigue and inform, puzzle and inspire. Like Congress itself, Berryman's cartoons seem familiar at first glance. Closer study reveals nuances and design features that invite in-depth analysis and discussion. Using these~~

cartoons, students engage in fun and substantive challenges to unlock each cartoon's meaning and better understand Congress. As they do so, students will develop the critical thinking skills so important to academic success and the future health and longevity of our democratic republic. 2 | R E P R E S E N T I N G C O N G R E S S H O W T H I S e B O O K I S O R G A N I Z E D This eBook presents 39 cartoons by Clifford K. Berryman, organized in six chapters that illustrate how Congress works. Each page features one cartoon accompanied by links to additional information and questions. TEACHING WITH THIS eBOOK Representing Congress is designed to teach students about Congress—its history, procedures, and constitutional roles—through the analysis of political cartoons. Students will study these cartoons in three steps: \* Analyze each cartoon using the NARA Cartoon Analysis Worksheet \* Analyze several cartoons to discuss how art illustrates civic life using Worksheet 2 \* Analyze each cartoon in its historic context using Worksheet 3 (optional) Directions: 1. Divide the class into small groups, and assign each group to study one or more cartoons in the chapter "Congress and the Constitution." 2. Instruct each group to complete Worksheet 1: Analyzing Cartoons. Direct each group to share their analysis with the whole class. 3. Instruct each group to complete Worksheet 2: Discussing Cartoons. Students should apply the questions to all of the cartoons in the chapter. Direct each group to share their analysis in a whole class discussion of the chapter. 4. Repeat the above steps with each succeeding chapter. 5. Direct each group to share what they have learned in the preceding activities in a whole class discussion of Congress and the Constitution. 6. Optional Activity: Assign each group to read the Historical Context Information statement for their cartoon. The students should then use the Historical Context

Encourage students to become responsible citizens who participate in their government! This book covers the basics, history, ideals, and symbols of the U.S. government; the Constitution; the three branches of government; each U.S. president through the November 2008 election; and much more. Featured topics follow national standards and can be taught in any order. The fun and informative activities will spark students' critical and creative thinking. Supports NCSS standards.

"A tutorial study guide for any U.S. Government course"--Page 4 of cover.

American Government: In the United States, the government gets its power to govern from the people. We have a government of the people, by the people, and for the people. Citizens in the United States shape their government and its policies, so they must learn about important public issues and get involved in their communities. Learning about American government helps you understand your rights and responsibilities and allows you to fully participate in the American political process. The Founders of this country decided that the United States should be a representative democracy. They wanted a nation ruled by laws, not by men. In a representative democracy, the people choose officials to make laws and represent their views and concerns in government. This book will help you understand the principles of American democracy, the U.S. system of government, and the important rights and responsibilities of U.S. citizenship.
