Harry Potter is dangerous? The beloved book series by author J.K. Rowling about a young wizard and his friends has been taken off library shelves at St. Edward Catholic School in Nashville because the school's pastor believes the books' magical spells are real. According to Independent, the pastor named Reverend Dan Reehill elucidated his decision in an email to the parents of students ...

economies around the world. - Build confidence with opportunities to check understanding and tackle exam-style questions. - Ensure a thorough understanding with synoptic links that encourage students to apply their knowledge across different elements of the course. - Master the vocabulary needed to critically assess with key terms and concepts defined throughout, especially helpful for those whose first language is not English. - Develop quantitative skills with opportunities to interpret data throughout. - Maximise potential with study tips in each chapter that cover tricky concepts and provide advice on how to apply skills.

Encourage students to reflect on the processes of thinking, as well as practising thinking skills. Thinking Skills encourages students to reflect on the processes of thinking, as well as developing and practising thinking skills. It is divided into two sections: Critical thinking and Problem solving. As well as giving students a thorough grounding in these areas, the authors provide opportunities for students to analyse and evaluate arguments, analyse numerical and graphical information and develop a range of skills.

This highly respected and valued textbook has been the book of choice for Cambridge IGCSE students since its publication. This new edition, complete with CD-ROM, continues to provide comprehensive, up-to-date coverage of the core and extended curriculum specified in the IGCSE Physics syllabus, The book is supported by a CD-ROM containing extensive revision and exam practice questions, background information and reference material.

Cambridge International AS and A Level Business Revision Guide helps students apply their knowledge, understanding and skills to succeed in their course. This endorsed Cambridge International AS and A
